MEMORANDUM FOR: Executive Director  
President's Foreign Intelligence  
Advisory Board

25X1 SUBJECT : Soviet Manipulation of the Peace Movement

*Smy*  
25X1 1. During Dr. Kissinger's meeting with Mr. Casey on  
Wednesday, I mentioned a paper we had prepared on Soviet  
manipulation of the peace movement. I offered to make it  
available through PFIAB.

25X1 2. That paper and one other are attached. I'd appreciate  
25X1 your bringing them to his attention the next time he is in,  
referencing his meeting with the DCI. Thanks.

Robert M. Gates  
Deputy Director for Intelligence
